Ask your teacher about any words you
don't know!

- 1 First, read only about your sign. How true
are these things for you?
- 2 Now read about your friends' signs. How
true are these things for your friends?
- 3 Now, look at some of the descriptions of
the other signs (not yours or your friends'
signs). Are any of these things true for you
or your friends? What does this mean?
