

Kites

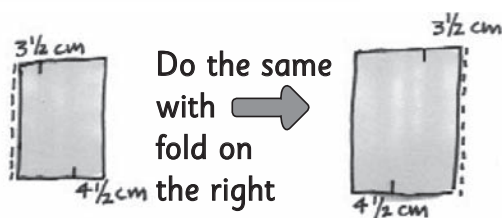

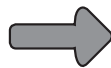

You will need:

- ★ sheet of A4 paper
- ★ pencil
- ★ coloured paper
- ★ tape
- ★ glue
- ★ ruler
- ★ stapler
- ★ wooden skewering stick
- ★ felt-tip pens
- ★ string

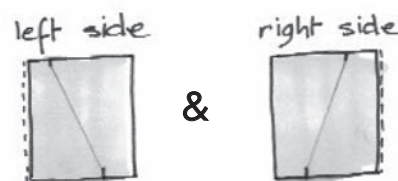

- 1** Take a piece of A4 paper. Fold it in half.

- 2** With the fold on the left, measure and mark at the top & bottom, as shown.

- 3** On both sides, use your ruler to draw a line joining the two points.

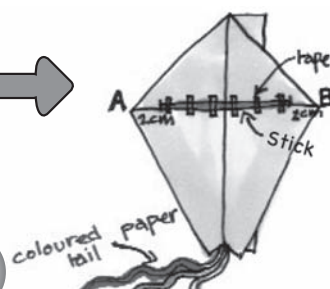

- 4** Fold back along the drawn lines on both sides.

- 5** Decorate the underside of kite using marker pens or colored paper & glue.

- 6**
- Draw a straight line between A & B.
 - Measure in 2 cm on each side.
 - Staple on tail and tape on thin skewering stick between A & B.

7

- Punch holes & attach string.
