F Read the email and answer the questions.

Amelia,

How are you? Hello from Green Mountain! I'm in my tent with my computer (it's a laptop!) right now. Camping is fantastic! The weather was cold yesterday, but it's warm today. There are lots of trees and there's a big lake at the campsite. My brother and I tried rowing for the first time yesterday. We were quite good at it! Mum wanted to go hiking with us yesterday afternoon, but we didn't go. We were very tired after rowing! We played board games after dinner.

Write soon!

Love,
Melanie

F Read the article from a school newspaper and answer the questions.

A Day in Space!

by Karen Brown, Year 5 student

Last Wednesday, the 16 children from the space club went to the space museum in Smalltown. It wasn't boring. It was fantastic! An astronaut spoke to us about her tour of a space station. Now I want to be an astronaut! We looked at photos of other planets, and of the moon. There were some great exhibitions at the museum too! My favourite exhibition was about the stars. Ms Barton, our science teacher, went with us. Her favourite exhibition was about spacecraft. It was a tiring day, but we had a great time.

- 0 Did all the students from the school go to the museum? No, they didn't.
- 1 Did Karen enjoy the museum?
.....
- 2 What did the astronaut talk about?
.....

F Read the text and answer the questions.

My hometown is fantastic! It's noisy and polluted, but there's a lot to see and do. There are lots of busy markets and some interesting museums. There's a beautiful temple next to a big river. You can go on a fun cruise down the river. They usually play great music on the boat and you can dance. There's a magnificent park in the town too. It's for skateboarding and riding your bike, but you can't use your rollerblades there. There are some great shops next to the park, but they're expensive. I really like the people in my hometown, because they are very friendly. They like talking to tourists about our culture and traditions. Come and visit us soon!

- 0 Is the town very clean? *No, it isn't*.

F Read the article from a school newspaper and answer the questions.

Last month, our science teacher, Ms Klein, spoke to the students and teachers about recycling, conserving energy and making the planet greener and better. After school that day, my friends and I looked on the internet for more information about saving the planet. We found lots of great green tips on the internet. We made posters. We wrote the tips on big pieces of green paper and put them on the walls of the school. We put boxes for old batteries, paper, empty cans, bottles and cartons by the doors. We talked to lots of students and teachers about fixing old toys and giving them away.

We want to make the environment cleaner and safer for everyone! Can you help us?

0 When did Ms Klein speak to the students and teachers about a greener planet?
last month

1 Where did the children find more green tips?
.....

2 What did the children write the tips on?
.....

3 Where did they put the posters?
