Senior levels

Our courses for A1 - A2 levels are aimed at young people living in today's multicultural world. They make use of a range of strategies to help students improve their English, promote social values such as being responsible and respectful of others, as well as develop their critical thinking and social skills.

Senior levels

A1 - A2

The philosophy behind the series

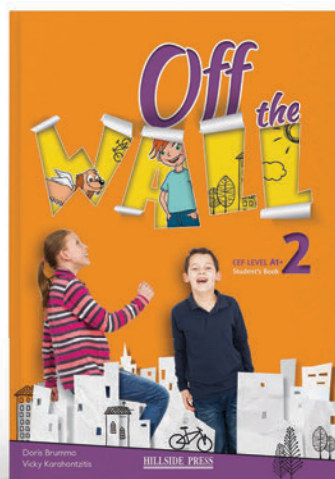

Off the wall tells an engaging story of unusual circumstances in which two siblings meet and befriend a mysterious boy and his very unusual dog. Students will identify with the characters and their experiences, as well as with the values they exemplify, such as sharing, kindness and respect for others, which are at the heart of the **Off the Wall** experience.

Pre-Junior

OLLY, a three-level series for preschoolers, featuring the INTERACTIVE ALPHABET WHEEL on the cover. The series includes theme-based lessons reflecting the world of preschool children with lots of pre-writing activities and extra sections for teaching through cross-curricular activities, promoting creative awareness and social values.

Junior Levels Junior A-B

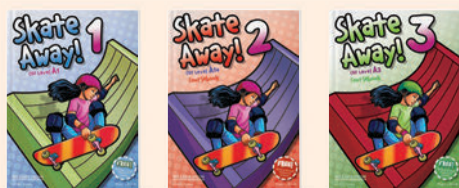

The **JOLLY GOOD!** series incorporates the principles of experiential learning and implements motivational strategies, helping young children to learn through play and encouragement. It's the only series that is accompanied by an interactive lift-the-flaps Alphabet book that promotes communication through visual, auditory and kinaesthetic means.

The central aim of the **Submarine** series is to help pupils to start English in an easy and enjoyable way, at the same time bolstering each learner's social, personal and cognitive development. The Coursebook is accompanied by the flip-over *Storybook & Funbook*.

Senior Levels A1-A2

The emphasis throughout the **Skate Away** course is not only on improving students' language skills, but also on helping them learn how to learn, develop thinking skills and acquire new knowledge. Students are encouraged to develop critical thinking, co-operate with others and make decisions.

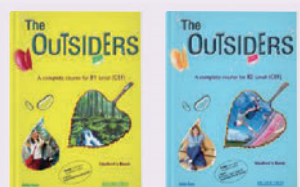

The **Come along** series aspires to familiarise students with the English language and introduce them to the different cultures of the world. Through the stories of young people of different cultural backgrounds who live, play and work together, students develop the basic skills of reading, listening, speaking and writing.

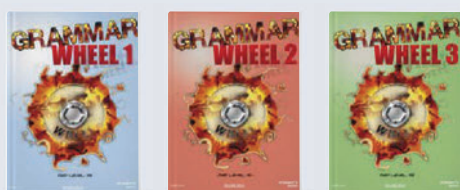

B1-B2 Levels

While the topics of the units of the **Journeys** coursebooks have been chosen with the aim of providing students with interesting age-appropriate material, the overriding emphasis is to encourage students to think independently about their own lives and contribute towards the well-being of our planet and its inhabitants.

The Outsiders is for students who have already completed the elementary level in the English language. The books in this series encourage learners to think logically, critically and laterally, giving them the basic building blocks for developing a better understanding of the contemporary world.

Grammar Wheel aims to give students the confidence they need in handling the different language patterns in English they meet at **A1, A1+, A2** levels. It is aimed at children whose first language is Greek.

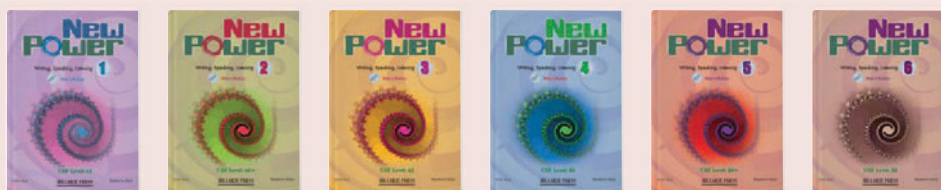

ON AIR is a three-level grammar series with stage-appropriate lexical items specially designed for students preparing for all types of certificate at **B1, B1+, B2** levels.

The New Outsiders coursebook is addressed to the students who wish to acquire advanced level English (**C1**). It has been designed to help learners to develop skills required for any certificate type.

The New On the Move is a challenging proficiency-level coursebook designed to develop students' skills at **C2** level.

An innovative six-level series for students at levels **A1, A1+, A2, B1, B1+, B2**. The series develops students' Writing, Speaking and Listening skills in English, in a systematic and simple way. Each book is accompanied by a *Writer's portfolio*.

The adventures of Captain Grammar!
Navigate through the challenging seas of English grammar with... Captain Grammar! A comic book that young learners at Junior levels won't be able to put down! A fun and humorous way to focus on grammar and enhance reading comprehension skills, while at the same time unleashing imagination and creativity.

Greek-English dictionary

An innovative dictionary with coloured illustrations specially designed for young learners of the English language (Beginner to Intermediate level).
