**HILLSIDE PRESS**

[www.elthillside.com](http://www.elthillside.com)

Founded in 1990, **Hillside Press** is an ELT Publishing House with offices in Athens and Thessaloniki.

A forward-looking publisher, **Hillside Press** fosters and maintains quality in all stages of book production and supply: authoring, editing, printing, marketing and distribution.

**Hillside Press** books meet the needs of all students learning English as a second language at pre-junior, junior, intermediate and advanced levels.

**Hillside Press** books and teaching materials reflect the company's focus on three main objectives: who we teach (the individual student), how we teach (the methodology), what we teach (the educational content).

**Hillside Press** publications embrace the latest research within the global educational community and aim to support students in their learning endeavour in a complex and ever-changing world.

**Hillside Press** books and teaching materials promote positive values that cultivate solidarity and mutual respect while developing important life skills, such as critical thinking and teamwork.

“  
EDUCATING THE MIND  
WITHOUT EDUCATING  
THE HEART IS NO  
EDUCATION AT ALL.  
”

*Aristotle*

**C**hildren, their interests and their age-specific learning needs are at the core of Hillside Press Pre-junior and Junior course design. Engaging characters and enjoyable activities create positive learning contexts that make each pupil's first exposure to English creative and fun. Our courses bolster each learner's social, personal and cognitive development through games and multiple intelligences activities.

# Junior levels

The full-colour **Workbook** activities mirror those of the Coursebook and provide further written practice of vocabulary and grammar introduced in the Coursebook.

The **Grammar Book** is specifically designed to help young learners whose mother tongue is Greek learn the basic English grammar structures. It mirrors the order and the content of the grammar taught in the Coursebook and includes a variety of level-appropriate tasks.

## COMPONENTS

The **Companion** supplements the Coursebook and provides help to pupils whose mother tongue is Greek. It contains words and expressions from the Coursebook translated into Greek, grammar presentations, as well as extra vocabulary and grammar tasks.

The **Test Booklet** aims to help pupils evaluate their progress and identify their strengths and weaknesses.

The class **Audio CDs** include audio of the Coursebook reading texts, songs, pronunciation activities, listening activities and the Captain Grammar cartoons.

### Flashcards

The **Flashcards** can be used to teach the alphabet and key vocabulary, as well as in specific lesson activities.

The **interactive e-book** includes the entire Coursebook, Workbook and Grammar Book, the reading texts and the songs of the lessons in animated karaoke, the Captain Grammar story in animated form and vocabulary and grammar games.

# Senior levels

“THE AIM OF EDUCATION  
IS THE KNOWLEDGE, NOT  
OF FACTS, BUT OF VALUES.

*William S.  
Burroughs*”

**O**ur courses for **A1 - A2 levels** are aimed at young people living in today's multicultural world. They make use of a range of strategies to help students improve their English, promote social values such as being responsible and respectful of others, as well as develop their critical thinking and social skills.

A1 – A2

# Senior levels

A1

A2

## The philosophy behind the series

**Off the wall** tells an engaging story of unusual circumstances in which two siblings meet and befriend a mysterious boy and his very unusual dog.

The siblings pass through a wall to explore imaginary places and bring back fresh knowledge to enrich their perception of the real world and their lives in it. Students will identify with the characters and their experiences, as well as with the values they exemplify: sharing, kindness and respect for others, which are at the heart of the **Off the Wall** experience.

## KEY FEATURES

- 30 three-page Lessons
- 6 Take a peek! sections with fun songs, games and activities
- 6 How about that! sections with multicultural and cross-curricular themes
- guided writing tasks based on models

# Senior levels

The full-colour **Workbook** includes tasks that mirror those of the Coursebook, providing written practice of the vocabulary and grammar introduced in the Coursebook.

The full-colour **Grammar Book** helps students whose first language is Greek. Each lesson starts with a clear grammar presentation in Greek, followed by a variety of grammar tasks. It also includes photocopiable grammar tests.

## COMPONENTS

The **Study Pack** supplements the Coursebook for students whose first language is Greek. New words and phrases taught in each lesson are explained in Greek, along with example sentences in English. Grammar tables and presentations with example sentences in English and Greek are also included.

The **Test Booklet** helps teachers to evaluate students' progress and identify their strengths and weaknesses.

The class **Audio CDs** contain recordings of all reading texts, *Extra Words* sections, pronunciation activities, listening activities and songs.

### i-ebook

The **interactive e-book** includes the entire Coursebook, Workbook and Grammar Book. It features the Coursebook story in animated form, animated grammar cartoons and videos. It also includes extra vocabulary and grammar tasks and games.

A1 – A2

# Teammates

## Senior levels

### The philosophy behind the series

Five children from around the world become **Teammates** to help pupils improve their English. While pupils work together with the **Teammates**, they develop their critical thinking skills, acquire knowledge about different cultures around the world, learn to co-operate with others and become aware of their own learning process.

## KEY FEATURES

- 14 units, covering a wide variety of level-appropriate themes
- integrated reading, vocabulary, grammar, listening, speaking and writing in each unit
- a grammar appendix that explains the unit grammar clearly and concisely

## SAMPLE PAGES

A1 – A2

## Student's

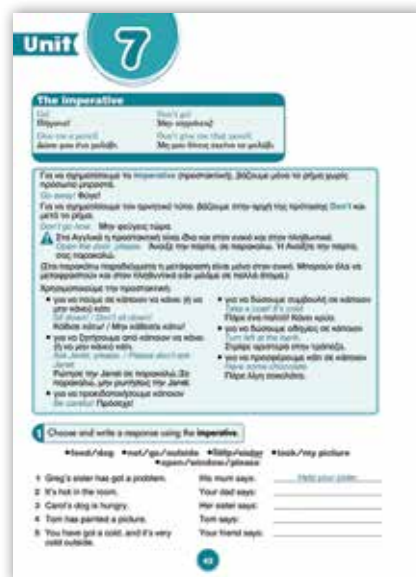

## Teacher's

\*interleaved with extra activities

# Senior levels

Each full-colour **Workbook** unit includes two pages with vocabulary tasks, two pages with grammar tasks and a page with speaking and writing tasks for students to recycle and consolidate the language taught in the Coursebook.

Each **Grammar Book** unit contains a clear presentation and detailed explanation of grammar structures and a variety of grammar tasks.

## COMPONENTS

The **Study Pack** includes Greek definitions of the words taught in the Coursebook with example sentences in English, along with vocabulary tasks. It also includes all the grammar structures covered in the Coursebook explained in Greek.

The **Test Pack** contains unit tests, review tests, term tests and a final exam.

The class **Audio CDs** contain the recordings of the online chats, reading texts, listening transcripts, pronunciation activities and songs.

## i-ebook

The **interactive e-book** includes the entire Coursebook, Workbook and Grammar Book. It features the stories in animated form, extra reading comprehension tasks, vocabulary and grammar games and videos.

# B1 - B2 levels

A blurred background image of students in a classroom. In the foreground, a young man with dark hair is looking down, focused on his work. Behind him, a young woman with long brown hair is also looking down. To her right, another student with long brown hair is partially visible, wearing a bright pink shirt. They are all seated at desks, and the overall atmosphere is one of quiet concentration.

LEARNING ANOTHER  
LANGUAGE IS NOT ONLY  
LEARNING DIFFERENT WORDS  
FOR THE SAME THING, BUT  
LEARNING ANOTHER WAY TO  
THINK ABOUT THINGS.

*Flora Lewis*

**H**illside Press courses for **B1 to B2 levels** invite students to aim higher and further by embracing knowledge of our ever-changing world, as well as achieving success in English language examinations. The courses apply interactive and motivational learning methods aiming to develop students' language skills in a systematic and consistent way.

B1 – B2

# Above & Beyond

## B1 – B2 levels

### The philosophy behind the series

**Above & Beyond** integrates the four language skills – reading, listening, speaking and writing – and adopts a communicative approach. The unit themes chosen aim to provide learners with the vocabulary and structures they need at B1 through B2 levels, all presented via interesting and age-appropriate content. **Above & Beyond** places an emphasis on cross-curricular learning, and promotes activities that encourage students to think independently, develop opinions and share them.

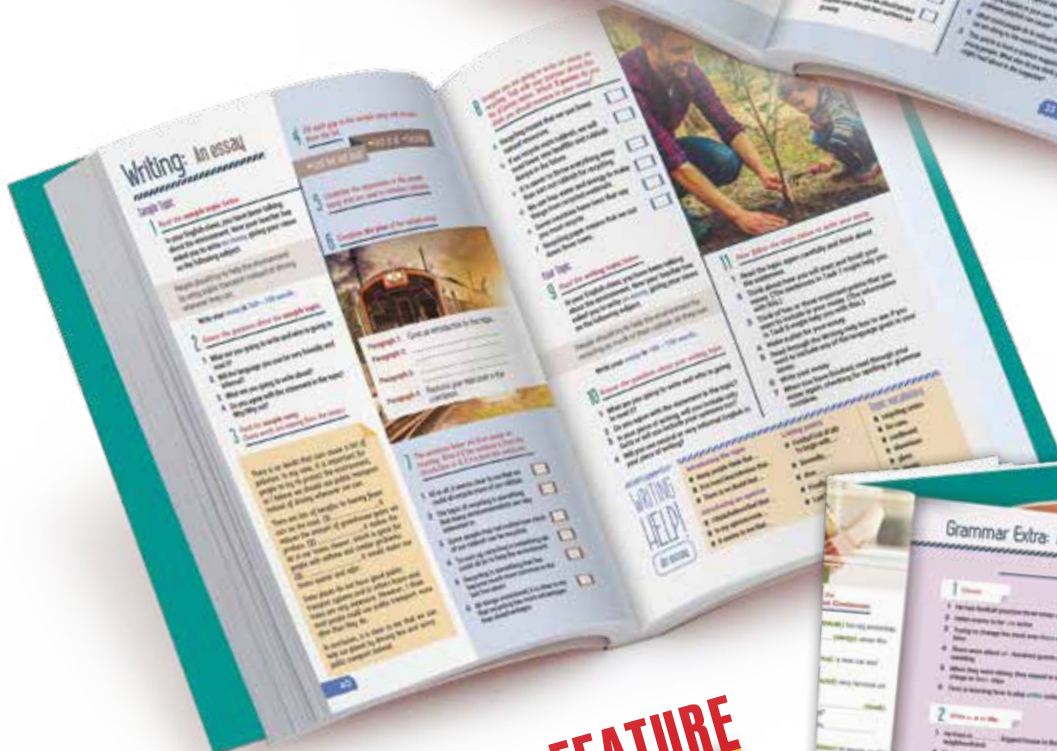

## KEY FEATURES

- 12 theme-based units
- exam-style reading, writing, listening and speaking tasks
- two pages in each unit focusing on writing, with step-by-step guidance
- a clear, comprehensive grammar appendix

## SAMPLE PAGES

COURSEBOOK

# B1 - B2 levels

Only  
for B1

The full-colour **Workbook** contains vocabulary, grammar, reading and writing tasks to help students revise and consolidate the material they have learnt in the Coursebook. It also includes exercises on useful language functions.

The **Above & Beyond B1 Grammar Book** gives students a solid first footing on the grammar they will need to succeed in any English language exam. It includes clear grammar presentations with examples and a variety of grammar tasks, as well as a separate section with the grammar presentations translated into Greek.

# Above & Beyond

## COMPONENTS

The **Study Pack** supplements the Coursebook providing help to students whose first language is Greek. It contains words from each unit and the Language Extra sections explained in Greek, a full presentation in Greek of all of the grammar structures taught, as well as vocabulary tasks for extra practice.

The **Test Pack** is an assessment package for teachers to monitor student progress through the course and assess competences in relation to English language exams ahead.

The class **Audio CDs** contain recordings of the reading texts and the listening tasks in each unit.

### i-ebook

The **interactive e-book** includes the entire Coursebook, Workbook and Grammar Book, extra vocabulary and grammar tasks for each unit, as well as videos and web pages related to the themes dealt with in the Coursebook.

B1 – B2

# Take Off!

## B1 - B2 levels

B1

B1+

B2

### The philosophy behind the series

The awareness of our world's rich variety of cultures, viewpoints and lifestyles is at the heart of **TAKE OFF!** course design, while the material is delivered in a way that boosts students' critical thinking and learner skills. The course also encourages students to develop their own learning strategies and take responsibility for their progress in order to succeed in English language examinations ahead.

## KEY FEATURES

- 12 theme-based units with clear and consistent structure
- lead-in sections with pre-reading and interesting cross-curricular activities
- true stories about inspiring young people or organisations that have made their mark on society

## SAMPLE PAGES

## NOVEL FEATURE

FULL grammar coverage

All levels of the TAKE OFF! series cover the required grammar fully, so there is no need for an extra grammar book.

B1 – B2

## Student's

## Teacher's
