(All the children laugh.)

**Boy 2:** But look at it! It glows!

**Rudolph:** My name's Rudolph, my nose is very bright.  
(All the children laugh.)

**Blitzen:** Don't laugh at him, he shows us the way in the night!

**Comet:** We bring presents to all the girls and boys.

**Dancer:** Sometimes they're books and sometimes they're toys.

**Santa:** Come on now, friends, it's time to fly. Come on, get ready, say goodbye!

**Boy 1:** No, wait! Where are our presents for this year?

**Girl:** Are they in this big bag over here?

**Santa:** Well, there's only one present for all of you ...

**Boy 2:** What? Only one? That isn't true!

**Rudolph:** Santa's present for a happy year, is for all the children far and near!

**Comet:** It's the present of friendship!

**Dancer:** It's for you to share.

**Girl:** Thank you, it's a lovely present, goodbye now, take care!  
(All the children wave to the audience.)

**All together:** We're very, very happy. We've got the greatest present ever, we can share it with the world, for ever and ever!
