

END-OF-YEAR PLAY

All children together: Today we're at the beach! We love the water, we love the sea!

Boy 1: This is Tina and that's Lee. I'm Michael, look at me!

Boy 2: Look at my friend! **(shows one of the girls & she waves to the audience)** She's in a boat. She's waving hello!

Girl 1: Come fishing with me, in the deep, blue sea!

Girl 2: More friends are coming! They want to play. We're having a lovely day!

Boy 3 & Girl 3: Hello everyone! Let's have some fun! Let's make sandcastles in the sand!

All children together: It's summer time for us and for you too. Let's visit the circus, let's go to the zoo! Let's all have a picnic by the sea, with lots of good food, cake and tea!

(all children wave)

Have a great summer everyone! See you next year!
