

.....My Holiday in the Arctic.....

You are on holiday near the North Pole. Write a postcard to a friend about your holiday. You can follow this plan:

- describe the place
- describe the local wildlife/people
- say what you are enjoying most about the holiday

Dear

..... **My School's "Attic Sale"**

Your school is organising an 'attic sale' to raise money. At the sale, pupils will sell items from their homes that their families don't want any more. The money that is raised will be used to make the school better.

Write a leaflet advertising the attic sale.
Say:

- what the school will spend the money on
- what people will be able to buy at the sale
- where and when the sale will take place

..... **My Circus Poster**

A circus is coming to your town. Design a poster, advertising the circus.
Your poster should say:

- where and when the circus is going to be
- what people can see and do there
- how much tickets cost
- why people should come
