Song

1 Look at the song. Find and write:

1 a word for large areas with lots of trees.

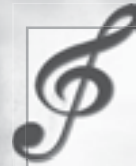

2 an expression (3 words) which means 'listen to us'.

3 three things we can burn to get energy.

4 an expression (2 words) which means 'having problems'.

5 the word for the black or grey cloudy gas that we get when we burn something.

2 Work with a partner. Think of an environmental problem and make a poster about it. Your poster should say what the problem is, and what we should do about it.

Our Planet

Hey, this is our planet,
It belongs to us all,
And the planet's in trouble,
So please hear our call.

We build our big cities
Of concrete and glass,
But we don't leave much room
For the trees and the grass.

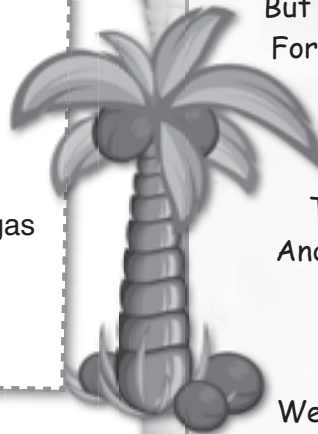

Chorus

We burn all the oil,
The coal and the wood,
And that filthy black smoke
Does us no good.

Chorus

We're cutting down forests
And polluting the seas.
What about the tigers,
the fish and the bees?

Chorus

1 Put the lines in the right order to make the chorus of the song.

- Isn't it time to think again?
- How many do you need?
- Where's it going to lead?
- How many gadgets have you got?

2 Can you name a gadget that:

- plays music?
- dries your hair?
- tells you where to go?
- you use at school?

What other gadgets can you think of?

Gadgets Everywhere!

Gadgets, gadgets, gadgets,
Gadgets everywhere!
Gadgets that play cool music,
Gadgets that dry your hair.

Chorus

Gadgets, gadgets, gadgets,
Gadgets in the car,
They tell you exactly where to go
And show you where you are.

Chorus

Gadgets, gadgets, gadgets,
Gadgets in our schools,
Making lessons much more fun,
And breaking all the rules.

Song

1 Look at the song. Find and write:

1 four ways that something could be cooked.

2 two words for the same food.

3 a word that means 'yummy; having a great taste'.

4 small things in your mouth that tell you the flavour of food.

Have you tried any of the dishes mentioned in the song?

2 Write a song about your favourite food.

Food, Food, Delicious Food!

Food, food, delicious food,
What's your favourite dish?
Chicken and mash? Burger and fries?
Or good old fish and chips?

Food, food, delicious food,
boiled, steamed, roasted or fried.
It's up to you to try something new,
Let your taste buds be your guide.

Food, food, delicious food,
Ethnic dishes to see, smell and touch.
Chow mein, couscous and chin chin.
Enjoy, eat well, but not too much!
